REVIEWS - WHAT DO OTHER PEOPLE SAY?

"Gutsy and honest and funny... Gives me hope."

"Read this book for heaven's sake!"

"Jenny gives us an unparalleled window into the dilemma of the human heart, not only with breath-taking honesty, but with the deepest hope for all of humanity."

"A grip-your-heart, roller-coaster-ride with a surprising, hope-filled resolution."

THROUGH THE OPEN LENS of Jenny's gut-wrenching honesty, we can see ourselves. Jenny's story is our story. Maybe not in the details, but in the depths of our spirits we too have lived this story — different yet profoundly the same. Whether dignified and hiding, rabid and combative, or aloof and condescending — we share the same inner ground zero, the same pain and hunger.

THE GLORIOUS ANSWER comes as a surprise to the human mind. While we were busy trying to "win" in the worst possible no-win scenario, Christ accomplished the impossible. On the Cross He resolved the battle of the sexes, opening a pathway to wholeness that we so desperately need and yet oppose.

Christ walked out of the grave — joy-filled, radiant, and wholeheartedly beckoning us to follow. Let us embrace all of who Christ is and all that He accomplished!
